Thank you for your interest in joining the 2023 GBA Brownfield Seminar, which will include sessions pertaining to efforts to bring environmental justice to communities in Georgia, case studies of successful brownfield re-use, and technical topics related to brownfield re-use.

This year's event will be presented in person and online April 11, 2023 from 8 am to 5 pm at the Georgia State University Knowles School of Law. It also will be presented virtually via Zoom.
