

## **2025 Brownfield Seminar Community Scholarship Application**

Thank you for your interest in joining the 2025 GBA Brownfield Seminar, which will include sessions pertaining to efforts to redevelop environmentally impacted communities in Georgia, case studies of successful brownfield re-use, and technical topics related to brownfield re-use.

This year's event will be presented in person and online April 16, 2025 from 8 am to 5 pm at the Georgia Power Headquarters. It also will be presented virtually. We are pleased to offer a limited number of scholarships designed to assist those that are interested in these topics but are not able to pay the \$200 registration rate. We are offering these scholarships to support and empower communities as they develop and implement solutions related to brownfields and community redevelopment. Please submit your scholarship application no later than Friday, April 4 to Jennifer Lesnieski at [jennifer@hlstrategy.com](mailto:jennifer@hlstrategy.com) for consideration.

Name:

Organization or community:

Website:

Nonprofit status:

Provide a brief description of the work you or your organization are doing to support brownfield re-use and/or advance community redevelopment in Georgia.

**Reason for scholarship request (check one):**

I am a leader/member (circle one) in a non-profit organization related to brownfields and/or environmental justice.

I am a municipal employee, and my department didn't budget for me to attend this event.

I am an interested community member, and I don't have funding in my personal budget for this event.
