2027 Darahyl Dennis Scholarship

Application

The Darahyl Dennis Scholarship aims to support students from underserved communities pursuing careers in environmental fields such as geology, biology, or engineering. The scholarship is limited to students enrolled in Georgia colleges or universities, with a preference for those attending or having attended Columbus State University. Eligible applicants must be sophomores or above in their undergraduate studies.

1. Applicant Name
2. Mailing Address
3. Phone Number
4. Email Address
5. LinkedIn / Social Media Handle(s)
6. Applicant School
7. Anticipated Graduation Year
8. Major / Focus of Study
9. Related courses taken (geology, biology, engineering)
10. Current GPA
11. Describe your interest in the environmental field. Have you been involved in any relevant research, internships, projects or organizations?
12. Describe your relationship with and involvement in underserved communities. I.e., have you lived / volunteered or supported / advocated for such communities / those in need?
13. Statement of purpose: Outline your career goals in the environmental field (geology, biology, engineering).
14. Are you involved in school sports, clubs and organizations, internships, or projects? Please describe any active membership or leadership role in community engagement and student organizations.

The deadline to submit scholarship applications is Friday, Feb. 13, 2026. The scholarship recipient will be recognized at the 2026 GBA Brownfield Seminar on April 16, 2026 at Georgia Power.

For additional information about the Georgia Brownfield Association, and the Darahyl Dennis Scholarship, please visit GeorgiaBrownfield.org. Applications may be submitted to Jennifer@HLStrategy.com. Feel free to attach any supporting documents in your submission.
