

“There is but one solution to the intricate riddle of life; to improve ourselves, and contribute to the happiness of others.”

~ Mary Shelley

18th Annual
**Georgia
Environmental
Conference**

Focused on Outcomes!

Our MISSION

To **meaningfully** and **significantly** participate in the **creation, definition, promotion, and implementation** of the **Georgia Environmental Conference's** diverse slate of Topics and featured Speakers - focusing on providing **Fresh, New, High Value, Well-balanced, Diverse, and Relevant** educational content with a **positive impact** on **current and future** practitioners and the environment of **Georgia** and the **Southeast** region, while embracing a strong commitment to fostering significant connections among **Attendees, Speakers, Sponsors** and **Exhibitors**.

Current Conference Portfolio

Georgia Environmental Conference

Jekyll Island, GA

August 20–22, 2025 &

August 19–21, 2026

Tennessee Environmental Network

Show of the South

Chattanooga, TN

May 14–16, 2025 & May 13–15, 2026

Is there another State that could use one of these inclusive and diverse conferences...?

North Carolina, maybe... an existing organization's?

2024 STATS
